Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$6,300/person and \$12,600/family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay.
Are there services covered before you meet your deductible ?	Yes. Does not apply to <u>Preventive care</u> , Prenatal Care, Primary Care, Specialty Care, Laboratory Tests, X-rays and Diagnostic Imaging, Outpatient Physician/Surgeon Fees, <u>Urgent Care</u> , Mental/Behavioral or Substance Use Outpatient Services, <u>Home Health Care</u> , Habilitation and Rehabilitation Services, Hospice, and Durable Medical Equipment.	This plan covers some items and services even if you haven't yet met the deductible amount but a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See list of covered <u>preventive services</u> are https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other deductibles for specific services?	Yes. \$500/person and \$1000/family for Brand Drugs; \$0 for Dental. There are no other specific deductibles.	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the out-of-pocket limit for this <u>plan</u> ?	\$7,800/person and \$15,600/family	The <u>out-of-pocket limit</u> is the most you could pay in a year for <u>covered services</u> . If you have other family members in the <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit ?	<u>Premiums</u> , <u>balance billing charges on not covered expenses</u> , and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider ?	Yes. See www.vchealthcareplan.org member section, or call (805) 981-5050 for a list of participating providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist ?	Yes.	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for <u>covered services</u> but only if you have a <u>referral</u> before you see a <u>specialist</u> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
