Appointment Date:

Time:

- Consultations must be with specialists contracted with the Ventura County Health Care Plan (see the VCHCP Provider Directory for contracted specialists - www.vhealthcareplan.org). Specialist should check eligibility.
- Referrals to any tertiary provider or center must be approved by the Health Plan & this form should not be used.
- Direct referrals to specialists are approved for an initial consult and appropriate follow-up visits.
- All procedures other than common office procedures done in the primary care office must be authorized (805-981-5060)
- If access cannot be obtained within the accepted time period, contact the utilization management department of the Ventura County Health Care Plan at 805-981-5060.
